If I die young, bury me in satin  
Lay me down on a, bed of roses  
Sink me in the river, at dawn  
Send me away with the words of a love song

His name was Jamie and hanging up on a wall was a  
painting  
Of lady Gaga the amazing, little monster was bravely  
Standing up is a gay teen Jamie daily would basically  
Just be praying that he make it home safely  
Without his sexuality making him cowardly, haters get  
angry  
I doubt if he was straight that he be faced with this  
danger  
cant believe at 14 he made the blameless mistake  
Of thinking that this world was empathetic our angels  
protect him in heaven

If I die young, bury me in satin  
Lay me down on a, bed of roses  
Sink me in the river, at dawn  
Send me away with the words of a love song  
I wanna hear y'all, I wanna hear y'all

Her name was Phoebe, believe me,  
Her beauty seemed to be beaming  
And at 15 she was needing to be dreaming  
And not believing in lies and teases  
And significant meanings  
Battling bullies and demons for immaterial reasons  
See the theory was easy, she fell little like weezy  
Cause the means girl was Lindsay  
And was calling her sleezy  
Too much attention on differences, no one's listening  
The chick's got vicious ... hurt Phoebe's feelings now  
She ain't living now damn  
If I die, if I die  
It's the pain, it's the hurt  
It's the wounds, it's the worst  
If I die  
We gotta stop the hate  
There is no reason, to tear others down

Just to build yourself up  
That's work  
If I die  
Now everybody go, everybody go  
Oho, oho  
I wanna hear y'all, I wanna hear y'all  
If I die  
Now everybody go, everybody go  
I wanna hear y'all, I wanna hear y'all  
We lost y'all way too soon
