Verse 1

Now once upon a time in a far away land
There lived a young man who was so outstanding
To make it interesting it's me Nick Cannon
He's very fly god father his name was ricky d
I'm a tell y'all like slick rick told me
Put that million dollar smile on your mouth full of gold
teeth (cheese)
Then ricki said go ahead and switch the style up
And if them hate the let them hate then watch the
money pile up
Stay fresh, dress like a million bucks
Whether it's time for it or you rockin' some chucks
Two step out the house stop sure, oh no
I think they forgot how you gigallo
So pimp bones in my body
Rock them body hottie
Rock them like xxxxxx daddy
We came to party

We don't cause trouble
We don't bother nobody
But if this was karate
I'm Mr. Miogi
