Uh, can I ball?
Yeah, can I ball?
Uh, can I ball?
This is to every female that's ever been in my life
Flesh of my flesh bone of my bone
I feel you playboy
Dust to dust uh, for real

My rib, my wiz, my dip, my boo
My chick, my sugar, my shorty all you
My dove, my dogg, my love, my rock
My love for you, my love don't stop
My life, my dream, my wife, my queen
My essence, my coach, my playa, my team
My buddy, my baby, my lovey, my lady
My shelter, my helper, my pain, I felt you

My diamond, my gold, my Zion, my soul
My spirit, my flesh, my chest, you hold
My shield, my skills, my will, be still
My youngin', my pumpkin', my sweetness, my
somethin'
My dumpling, my daisy, my freak, you crazy
My woman, my girl, my misses, my world
My breezy, she need me, believe me, be easy
My kid, my bid, we live, my rib

You are my rib and I can't deny
Closer than my flesh and bone
And my love we share is strong

You are my rib and I can't deny
Closer than my flesh and bone
And my love we share is strong

Yo' style, yo' smile, yo' walk, yo' mile
Yo' dress, yo' stress, you saving, yo' sex
You blessed, yo' views, yo' joys, yo' boos
Yo' eyes, yo' moves, yo' heart, no clues
Yo' opinion, yo' minion, over yo' whole livin'
Yo' home, yo' givin', yo' virtue, he hurt you
Yo' wounds, you nurture, yo' curfew, yo' class

Yo' curve, yo' whoa, yo' glory, yo' past

Yo' story, yo' stash, yo' mercy, yo' grace
Yo' voice, yo' face, yo' pace, yo' taste
Yo' morals, yo' goals, yo' steps, yo' toes
Yo' sent, yo' strength, yo' friends, yo' foes
Yo' prayers, yo' cares, yo' tears, yo' cheers
From yours to my ears, yo' crown, yo' frown
Yo' palms, yo' moms, yo' kid, you give
We live, we did, me and you, my rib uh

You are my rib and I can't deny
Closer than my flesh and bone
And my love we share is strong

You are my rib and I can't deny
Closer than my flesh and bone
And my love we share is strong

I hate you, I date you, I love you, I make you
I miss you, I thank you, for you, I'm grateful
I need you, I am you, I stand you, I have to
I had you, I left you, but I had to, I failed you
I scared you, I dared you, compared you, I held you
I kept you, I dissed you, I helped you, I felt you
When I kiss you, I melt you, I see you, I saw you
I hear you, I call you, no answer, I get you

Forget you, forgot you, I lost you, I got you
I trust you, I doubt you, I can't live without you
I feel you, I kill you, I heal you, I steal you
I stole you, I have you, I hold you, I know you
I knew you, I owed you, I groomed you, I mold you
I warn you, I scold you, how could I be so cold to you?
I owe you my life, my soul, I live, that's why I believe
You are my rib

You are my rib and I can't deny
Closer than my flesh and bone
And my love we share is strong

You are my rib and I can't deny
Closer than my flesh and bone
And my love we share is strong
