Ain't no party like a Nick Cannon party  
Cause a Nick Cannon party don't stop.

Ain't no party like a Nick Cannon party  
Cause a Nick Cannon party don't stop.

(Nick Cannon)  
Do my ladie's take this party over. (oh yeah)  
Do my doggs take this party over. (oh yeah c'mon)

Ain't no party like a Nick Cannon party  
Cause a Nick Cannon party don't stop.

Ain't no party like a Nick Cannon party  
Cause a Nick Cannon party don't stop.

(Nick Cannon)  
Do my ladies take this party over. (oh yeah)  
Do my doggs take this party over. (oh yeah c'mon)

Ain't no party like a Nick Cannon party  
Cause a Nick Cannon party don't stop.

Ain't no party like a Nick Cannon party  
Cause a Nick Cannon party don't stop.

(He's taking over)
