Everybody's got a room

Everybody's got a room

Everybody's got a room in God's hotel

You'll never see a sign hanging on the door

Sayin', 'There ain't no rooms available here anymore'

Everybody's got wings

Everybody's got wings

Everybody's got wings in God's hotel

Everybody's got wings

You'll never see a sign hanging on the door

Sayin', 'At no time my both feet leave the floor in this hotel anymore'

Everybody got a harp

Everybody got a harp

Everybody's got a harp in God's hotel

Everybody's got a harp

You'll never see a sign hanging on the wall

Sayin', 'There ain't no harplin' allowed in here anymore'

Everybody holds a hand

Everybody holds a hand

Everybody holds a hand in God's hotel

Everybody holds a hand

You'll never see the sign hanging on the door

Sayin', 'There's absolutely [Incomprehensible] in this hotel anymore'

Everybody is blind

Everybody is dumb

Everybody's dumb and blind in God's hotel

Everybody is blind

You'll never see a sign hanging on the door

'Cause blind people can't see anyway in that hotel anymore

Everybody is deaf

Everybody is deaf

Everybody is deaf in God's hotel

Everybody is deaf

You'll never see a sign hanging on the bathroom wall

Sayin', 'There's no deaf people allowed in here anymore'

Everybody plays piano

Everybody plays piano

Everybody plays piano in God's hotel

Everybody plays piano

You'll never see a sign hanging on the door

Everybody got heaven

Everybody got heaven

Everybody got heaven in God's hotel

Everybody got heaven

You'll never see a sign scribbled on that toilet wall

Sayin', 'Rosy you'll get your heaven, dial 686 444'
