It's a very happy day

We are at lots of fun fun fun

And it's ice-cream and jelly

and a punch in the belly

How much can you throw over the walls?

And see how his face glows

It's a bike! What a surprise.

It's a big bike. What a big surprise.

It's a red bike. What a red surprise.

Oh, what a surprise.

But the best thing there

But the best thing there

Was the wonderful dog chair

Was the beautiful dog chair

That could count right up to ten

It could count right up to ten

It went woof, woof, woof, woof, woof,

woof, woof, woof, woof, woof.

And it's another happy day.

He was born eleven years ago

And this year it's long trousers

and a very smart tie.

Just think in five years he'll be shaving.

And see how his face glows

It's a bike. What a surprise!

It's a samurai sword.

What a metal surprise.

He'll remember this day for the rest of his life.

But the best thing there

But the best thing there

Is that fabulous dog chair

The immaculate dog chair

That could count right up to eleven

It could count right up to eleven

It went woof, woof, woof, woof, woof, woof, woof, woof,
woof,

woof, woof, woof.

But the best thing there

But the best thing there

Was my darling the dog chair

But the rampaging dog chair

That could count right up to eleven

It could count right up to eleven.

And it went round and round the house.
