Despair and Deception, Love's ugly little twins
Came a-knocking on my door, I let them in
Darling, you're the punishment for all of my former sins

I let love in
I let love in

The door it opened just a crack, but Love was shrewed
and bold
My life flashed before my eyes, it was a horror to
behold
A life-sentence sweeping confetti from the floor of a
concrete hole

I let love in
I let love in
I let love in
I let love in

Well I've been bound and gagged and I've been
terrorized
And I've been castrated and I've been lobotomized
But never has my tormenter come in such a cunning
disguise

[I Let Love In Lyrics On]

I let love in
I let love in
I let love in
I let love in

O Lord, tell me what I done
Please don't leave me here alone
Where are my friends?
My friends are gone

O Lord, tell me what I done
Please don't leave me here alone
Where are my friends?
My friends are gone

I let love in

I let love in

So if you're sitting all alone and hear a-knocking at you
door

and the air is full of promises, well buddy, you've been
warned

Far worse to be Love's lover than the lover that Love
has scorned

I let love in

I let love in

I let love in

I let love in

I let love in

I let love in

I let love in

I let love in
