Aiyo, I wanna dedicate this song right here to O-Ren  
Ishii

Half Chinese/Half Japane-see, Half American and yo  
Oh what a specie, a feminine perfection

She got the sinister cat eyes and little freckles on her  
complexion

Cheaper than Yakuza, but she's wicked like Medusa  
And she got Crazy 88 killers that'll slice right through  
ya

Quick to chop a head off then wipe the blood off  
A long range sniper shot she bust, never let a dud off  
You got a minute to pray and a second to die  
You can see the image of the devil reflectin' inside her  
eye

But since she was a little girl, yo, she never would cry  
She seen so much tragedy, let me explain to you why  
She grew up on the military base, where she had to  
face

The brutality of her mother and her father being  
erased

The blood drops from her tear drops, on her face you  
see the smear spots

She silently watched, as the shogun sliced through her  
dear pops

Through his thick skull, now she's vicious like a pitbull  
And when it comes to hatred, and revenge she got a  
shit full

Yo... revenge is that fire that burns inside your soul

Aiyo, she been bustin' off kneecaps, son, since the age  
of eleven

But fuckin' the enemy to death, ugh, that was her  
favorite weapon

And the death you paid in hell, boy, it can't be paid in  
heaven

You better got down on your knees, son, and start  
prayin' to the reverend

Bon appetit, boy, revenge is so sweet

Especially when it's served on a cold dish, but she has

no wish  
But to cut your day short like the winter solstice  
And a chance to receive a slight bit of mercy from her  
was hopeless  
Oren Ishii, half Chinese/half Japanese  
Half American, muaww, yeah, oh what a species
