Whoooahh! Bite! Whoooah! Bite!

Release the bats! Release the bats!

Don't tell me that it doesn't hurt

A hundred fluttering in your skirt

Don't tell me that it doesn't hurt

My baby is alright

She doesn't mind a bit of dirt

She says "horror vampire bat bite"

She says "horror vampire

how I wish those bats would bite"

Whoooah! Bite! Whoooah! Bite!

Release the bats! Release the bats!

Pump them up and explode the things

Her legs are chafed by sticky wings

Sticky sticky little things

My baby is a cool machine

She moves to the pace of her generator,

Says damn that sex supreme

She says damn that horror bat

Sex vampire, cool machine

Release the bats! Release the bats!

Release them!

Baby is a cool machine

she moves to the pulse of a generator

She says damn that sex supreme

She says, she says damn that horror bat

Sex horror sex bat sex horror sex vampire

Sex bat horror vampire sex

Cool machine

Horror bat. Bite!

Cool Machine. Bite!

Sex vampire. Bite!
