When I get home, I'm gonna clean up my house  
When I get home, I'm gonna kick out that mouse  
When I get home, I'm gonna put things in order  
But right now, right right now, right now I'm a-roaming

When I get home, I'm gonna make that call  
When I get home, I'm gonna talk it through  
When I get home, I'm gonna straighten it out  
But right now, right now, right now I'm a-roaming

When I get home, I'm gonna give up the booze  
When I get home, I'm gonna get me some food  
When I get home, I'm gonna quit them drugs  
But right now, right now, right now I'm a-roaming

When I get home, I'm gonna call my mother

When I get home, I'm gonna cook her some dinner  
When I get home, I'm gonna invite my brothers  
But right now, right right now, right now I'm a-roaming

When I get home, I'm gonna see my little boy  
When I get home, I'm gonna buy him a little toy  
When I get home, he's gonna jump for joy  
But right now, right right now, right now I'm a-roaming

When I get home, I'm gonna unpack my bags  
When I get home, I'm gonna wash these dirty rags  
When I get home, I'm gonna pack 'em up again  
But I'm gonna go, I'm gonna go, I'm gonna go right  
back roaming.
