Come sail your ships around me  
And burn your bridges down.  
We make a little history baby  
Every time you come around.  
Come loose your dogs upon me  
And let your hair hang down.  
You are a little mystery to me  
Every time you come around.  
We talk about it all night long  
We define our moral ground.  
But when I crawl into your arms  
Everything comes tumbling down.  
Come sail your ships around me  
And burn your bridges down.

We make a little history baby  
Every time you come around.  
Your face has fallen sad now  
For you know the time is nigh  
When I must remove your wings  
And you, you must try to fly.  
Come sail your ships around me  
And burn your bridges down.  
We make a little history baby  
Every time you come around.  
Come loose your dogs upon me  
And let your hair hang down.  
You are a little mystery to me  
Every time you come around.
