I'm living on day old bread and I
I'm losing you
I'm living on the edge and I don't know what
Am I gonna do?

Livin' where the angels cry
Tryin' to keep my dreams alive
Maybe it will be tonight
Oh, well, I know it's just the way it goes
I know, I know, I know
Oh, well, I know it's just the way it goes
I know, I know
(I know)

I'm looking for a friend who would carry me
And I can't believe
I'm waiting for a turn an eternity
Of course it's just not free

Livin' where the angels cry
Tryin' to keep our dreams alive
Maybe it will be tonight
Oh, well, I know it's just the way it goes
I know, I know, I know
Oh, well, I know it's just the way it goes
I know, I know

And all we had is drifting far
Across the see I've gone too far for you
And night will come and end this day
As I relax the walls that came from you
(That came from you)

I'm waiting for sleep to come at night
(Sleep to come at night)
I never dream
I don't know what but I think that I
(What but I think that I)
I know whatever I see

Livin' where the angels die
Tryin' to keep my dreams alive

Maybe it will leave tonight
Oh, well, I know it's just the way it goes
I know, I know, I know
Oh, well, I know it's just the way it goes
I know, I know

And all we have is drifting far
Across the see I've gone too far for you
(Too far for you)
For you

I'm living on day old bread and I
(Bread and I)
I'm losing you
I'm living on the edge and I don't know what
Am I gonna do?

Livin' where the angels cry
Tryin' to keep my dreams alive
Maybe it will be tonight
Oh, well, I know it's just the way it goes
I know, I know, I know
Oh, well, I know it's just the way it goes
I know, I know
(I know)
