Hit the grass by the dock on the shore
I know it's late, can we kiss some more?
Hide the beer underneath the dock
So we won't get caught by the cops.

Tonight, Tonight was fun.

....?????????....

you gotta get home soon.
Your momma's gunna be pissed at me.
It was fun but it didn't have to be.
Couldn't you stay a little longer?
It wouldn't be any wronger.
Couldn't you stay a little longer?
It wouldn't be any wronger.

Tonight, Tonight was fun.
