"Cold Cold Heart"

I tried so hard, my dear to show
That you're my every dream
But it seems that everything I try to do
Is just some evil scheme

In anger, unkind words you said
That make the teardrops start
Why can't I free your doubtful mind
And melt your cold, cold heart?

Yeah, I got to melt
(Got to melt your cold, cold heart)
Yeah, your cold, cold heart now
(Got to melt your cold, cold heart)

Yeah, yeah, I got to melt
(Got to melt your cold, cold heart)
Yeah, your cold, cold heart now
(Got to melt your cold, cold heart)

Well, another love before my time
Has made your heart sad and blue
And now my heart is aching so
For things I did not do

The more I learn to care for you
I said, the more we drift apart
Why can't I free your doubtful mind
And melt your cold, cold heart now?

I got to melt
(Got to melt your cold, cold heart)
Yeah, your cold, cold heart now
(Got to melt your cold, cold heart)

Yeah, yeah, I got to melt
(Got to melt your cold, cold heart)
Yeah, your cold, cold heart
(Got to melt your cold, cold heart)

The more I learn to care for you
I said, the more we drift apart

Why can't I free your doubtful mind
And melt your cold, cold heart now?

I got to melt
(Got to melt your cold, cold heart)
Melt your cold, cold heart now
(Got to melt your cold, cold heart)

Yeah, yeah, yeah, I got to melt
(Got to melt your cold, cold heart)
Yeah, your cold, cold heart now
(Got to melt your cold, cold heart)

I declare, I got to melt
(Got to melt your cold, cold heart)
Melt your cold, cold heart now
(Got to melt your cold, cold heart)

Yeah, yeah, I got to melt
(Got to melt your cold, cold heart)
Yeah, yeah, your cold, cold heart now
(Got to melt your cold, cold heart)

Yeah, I got to melt
(Got to melt your cold, cold heart)
Yeah, your cold, cold heart now
