(Verse1)

There comes a time when words are just words,
And there's nothing you can say that will comfort the
hurt
Sometimes just a smile or the touch of a hand,
Can heal from the inside when nothing else can

There's a peace in just knowing someone's there to
hold you
Without any questions, just someone who caresâ€¦!

(Chorus)

Be there, be a shoulder to cry on
Someone to count on when the world closes in
Be there, be a harbor to hide in
A place to confide in, a genuine friend
Just be thereâ€¦! Just be thereâ€¦!

(Verse 2)

When there's no advice left to give and loneliness
settles in
Wiping the tears may be all you can do,
In those hours of darkness, just sitting in silence
Could be all someone needs to carry them through

There's a calm reassurance just knowing there's
someone
You trust there beside you, a safe place to fall

(Chorus)

(Bridge)

Be the strength that they lean on, show some
compassion
Sometimes love is all somebody needsâ€¦! (break)

(Chorus 2x's)

Tag - Be there, someone is waiting
Somebody somewhere is counting on you
Be there, a place to confide in, a genuine friend
Just be thereâ€¦! Just be thereâ€¦! Just be thereâ€¦!
