MY ORDINARY LIFE

Words & Music by Nick Granato

V1 - I've not found an easy way, tried some and I've
always paid

But I hold on, come what may, come what might,
This heart of mine's been torn apart,
I've loved too much and way too hard,
And I've questioned trust and I've watched it lie in this,
My ordinary life

(Chorus)

The twists and turns along the way, and everyday I'm
tempting fate,
Struggling through what's wrong and right, in this my
ordinary life,
Sometimes I stumble, sometimes I fall, I suppose don't
we all,
And every day's an uphill climb, in this, my ordinary
life!

V2 - Yes I have made my mistakes,
Lost some, learned some on the way
I hurt like you, I laugh I cry,
I hold my breath through troubled times,
And everyday I pray for strength, so I can look them in
the face,
I wish some days that I could hide from this,
My ordinary life!

(Chorus)

V3 - Well in some eyes they say I've sinned,
But I know my God and He forgives,
And those that point I just dismiss, as nothing more
than blind,
So I'll live each day like it's my last cause time on earth
is turning fast, And there's no gain in what I've left
behind, in this my ordinary life!

(Chorus)

TAG - Sometimes I stumble, sometimes I fall,
I suppose don't we all, and every day's an uphill climb
In this my ordinary life! In this my ordinary life!
In this my ordinary life!
