NO MORE STONES

Words & Music by Nick Granato

(V1) You don't have to love me; you don't even have to like me

But all I ask is that you just respect what I believe,
We all have opinions, of what we see as truth
But my interpretation may not be the same as you,
Cause everyone is different, yet everyone's the same
We all make excuses; we all like to place the blameâ€¦.

(Chorus 1)

And I don't want to be accused of blindly throwing stones at you, and

I don't want to feel the pain inside my heart when you throw them too, and

I don't really think it's wise, to pick up stones and ruin lives,

Don't you think it's time we all should growâ€¦ no more stonesâ€¦

(V2) You could choose to hate me, maybe you don't understand me

But I can't be responsible for how you choose to feel
If we listen to each other, we might find some common ground

We've got to get beyond our pettiness, before it all comes crashing down

(Chorus 1)

(Bridge)

There's no need to point a finger, cause everyone's to blame

Don't you think life's hard enough, Can't you see it's time to changeâ€¦.

(Chorus 2)

No I don't want to start a war of words,

Just to wound your soul and make you hurt, I'd

Rather sit and take the time to try and make a better life

And I really don't feel we all should fight, just because we think we're right

We all know it's time for us to growâ€¦ no more stones

Don't you think it's time we all should growâ€¦ no more stonesâ€¦

Let them goâ€¦ no more stonesâ€¦ no more stonesâ€¦
