Words & Music By
Nick Granato

I can identify with the ocean,
Constantly changing, always in motion,
At times I find myself just rolling
With nothing to hold me back
No nothing can hold me back
Sometimes I feel just like an island,
Standing alone in the middle of silence,
Feeling so safe still surrounded by violence
With nothing to hold them back
No nothing can hold them back
I feel the wind and the waves all around me,
I hear them breaking on the shore,
I see the lighthouse in the harbor,
Calling me to her port, oh
Just calling me to her port!
Sailing my waters, friends & strangers!
Sharing pleasures, daring dangers,
Some drift off and some throw anchor,
With nothing to hold them back
No nothing can hold them back
But on my horizon the sun is rising,
Warming my waves, reflecting the skies,
Another day to reach and find
With nothing to hold me back,
No nothing can hold me back!
Still I can feel the current changing,
Pulling me from every side,
I can sense the deep impressions,
That I've left behind
From my raging tide,
Yes I can identify with the ocean,
Always changing like my emotions
Ever restless, ever flowing
With nothing to hold me back
No nothing can hold me back
With nothing to hold me back
No nothing can hold me!
