Words & Music By
Nick Granato

V1

Life can be so complicated at times,
It's a wonder how we ever get through,
But I find a peace in the simple things
They seem to help me stay true,
That's why you can find me, down by the waters edge
Filling all my senses, and clearing my headâ€¦

Chorus

Watching the sun dance, off the ripples on the sea,
I feel rhythm of the waves, wash the sand beneath my
feet
I listen to the wind blow, and let my mind go free
I drift away into a place of calm serenity,
It helps me know who I am..
So every chance I canâ€¦I watch the sun danceâ€¦

V2

I find a comfort with the sun on my face,
I can feel my heart reflecting it's light,
There's a healing deep inside that takes place
Giving my spirit new lifeâ€¦
When I'm standing on the shore line, Everything is right
I let my troubled thoughts just float away with the
tideâ€¦

Chorus

Bridge

When I gaze out in the distance, I imagine I can fly
And I glide on the breeze like a seagullâ€¦.
To where the ocean meets the sky
And then I open up my eyesâ€¦ and watch the sun
danceâ€¦.

Chorus
