Offering friendship is all that I have
It's consolation for all in my heart
And all these dreams go on

I'm pushing patience as far as I can
Damaging things I held in my hand
And all these dreams go on

So why do you look at her like that?
It's only smiling I said
Why do you look at her at all?

So where, where will I sleep tonight?
I don't know how I feel
Nothing is what it seems
Where? Will I see you anymore?
I don't know how I feel
Nothing is what it seems anymore

I try to shake this as hard as I can
It won't defeat me, I promise you that
But all these dreams go on

Strange fascination that's all that this is
Want her to like me, that's all that i ask
But all these dreams go on

But why do you look at her like that
It's only smiling. She says,
Why do you look at her at all?

So where, where will I sleep tonight?
I don't know how I feel
Nothing is what it seems
Where? Will I see you anymore?
I don't know how I feel
Nothing is what it seems anymore

So why do you look at me like that
Can't just be smiling she says
Why do you look at me like that at all?

So where, where will I sleep tonight?
I don't know how I feel
Nothing is what it seems
Where? Will I see you anymore?
I don't know how I feel
Nothing is what it seems anymore

And all these dreams go on...
