### "Appreciate"

There's a man dying on the side of the road,  
Won't make it home tonight,  
He was driving fast on a cellular phone  
That's how he lived his life.

Mmhhmm

While he was hanging by a thread these were the final  
words he said,  
My girl turned sweet sixteen today she's beautiful, so  
beautiful,  
It might get rough some times but I hope she keeps her  
faith  
(hope she keeps her faith)  
I wish I had the chance to say to her  
Life is to short, so take the time and appreciate.

And there's a woman crying on the kitchen floor, she  
got a call tonight  
And she trembling out side her daughters door  
Wondering if now's the time,  
Mmhhmm  
Wondering how and where to start  
Is there a way to shield her heart

My girl turned sweet sixteen today she's beautiful, so  
beautiful,  
It might get rough some times but I hope she keeps her  
faith  
(hope she keeps her faith)  
I wish I had the chance to say to her  
Life is to short, so take the time and appreciate.

Is anybody loving  
(Loving, loving, loving)  
Get hurt along the way don't be afraid to open up  
(open up, open up)  
And use the time you have before it fades  
Show your love today

Ooooh

My girl turned sweet sixteen today she's beautiful, so  
beautiful,  
It might get rough some times but I hope she keeps her  
faith  
(hope she keeps her faith)  
I wish I had the chance to say to her  
Life is to short, so take the time and appreciate.

My girl turned sweet sixteen today she's beautiful, so  
beautiful,  
It might get rough some times but I hope she keeps her  
faith  
(hope she keeps her faith)  
I wish I had the chance to say to her  
Life is to short, so take the time and appreciate.
