Never thought I would, get it.
Never thought I could, get it.
Get it like that, Get it like this
Get it, like everybody knows.

That we got something real, shorty
I know what I feel
Shorty like that, shorty like this.
Listen up, everybody knows but you
So here it goes

'Cause I never even noticed
Took a while for me to see
Playing back the moments
Now I'm starting to believe
that you could be at the show
Know every word
But its you that makes me sing
I may not know where we are, But I know who I am
Baby I'm your biggest fan

Listen
Every time you smile for me.
Takes me a while to bring myself back
'Cause you're all that
And I just had to let you know
That I'm screaming out in the crowd for 'ya
I can be too loud, 'cuz I don't care
I let them all stare
I just want everyone to know the truth
It's only you

I never even noticed
Took a while for me to see
(While for me to see)
Playing back the moments
And I'm starting to believe
(Starting to believe)

That you could be at the show
know every word
But it's you that makes me sing

May know where we are, But I know who I am
Baby I'm your biggest fan.

Showed up, and you looked so classy
Made me think twice 'bout the way I was acting.
You were there from the start of it all,
Like a dream came to life, now I'm left in awe.
Stars shine but your light is the brightest
Love flies but your love is the highest
So sweet that it drives me crazy
A summer like no other,
You my LA Baby

No, I never even noticed
Took a while for me to see
(While for me to see)
Playing back the moments
And I'm starting to believe
(I'm starting to believe)
That you could be at the show,
Know every word
But it's you who makes me sing
May not know where we are, But I know who I am
Baby I'm your biggest fan.

Baby I'm your biggest fan

'Cause you could be at the show,
Know every word
But its you that makes me sing
May not know where we are, But I know who I am
Baby I'm your biggest fan
