1, 2 come on Nick
yeah

yeah
ooh ooh ooh
yeah
oh

Conspiracy theory better keep it down
'Cause the walls are thin
And the word is out now

Like it or leave it
Dontcha make a sound
'Cause the walls are thin
And the word is out now

Better that you didn't know
Better that they didn't show
Us why

Why we need to live in fear
Knowing that the threats are real
This time

Conspiracy theory
Gonna make you shake
Don't hit the brake
No time to waste now

Like it or leave it
Better hit the road
Cause the world as we know it
Gonna fade away now

Better that you didn't know
Better that they didn't show
Us why

Why we need to live in fear
Knowing that the threats are real
This time

Yeah
Conspiracy theory
Conspiracy theory
Oh
Yeah
Oh oh
Ooh ooh oh

Conspiracy theory
Better keep it down
'Cause the walls are thin
And the word is out now

Like it or leave it
Dontcha make sound
Cause the walls are thin
And the word is out now

Better that you didn't know
Better that they didn't show
Why we need to live in fear
Knowing that the threats are real
This time
Ooh ooh oh

Yeah
Na na na na
Na na na na
Na na na na na na na na na na
Na na na na na
