"I Do"

Entered with a broken wing,
When you showed up at my door,
Now, I'm fallen more in love,
then I ever was before.

If you must,
Know the truth;
I knew that it was you.
So anywhere, where you are...
I do...

I know that an endless love,
Isn't something you can't teach.
With you, there is not a star,
In the sky, that I can't reach.

If you must,
Know the truth;
I knew that it was you.
So anywhere, where you are...
I do...

So anywhere,
Where you are,
You can trust that I will.
So anywhere,
Where you are,
I do...
