Another foggy night in London town
All the dreamers are asleep
No one understands what I have found
No, not even me

Foolishly, I fall
To the obvious pattern of it all
Carelessly, I stall
Thinking change was just a friend that never called
Tragedy's alright
When it means we count the blessings in our life
Could it be that I now stand corrected
Could it be that I now stand affected by this blinding
light
Ohhh
Blinding light

Big Ben breathing down my neck again
I feel my time just running out
All this baggage that I'm carrying
It's time to lay it down
Hey

Foolishly, I fall
To the obvious pattern of it all
Carelessly, I stall
Thinking change was just a friend that never called
Could it be that I now stand corrected
Could it be that I now stand affected

A cup of tea out on my own tonight
Now I'm changing by this blinding light
Yeah

Foolishly, I fall
To the obvious pattern of it all
Carelessly, I stall
Thinking change was just a friend that never called
Could it be... that I now stand
Could it be that I change by this blinding light
Blinding light
