We've never been into honesty  
So promise me you'll let me know  
When you're lying  
She wants to be an eagle  
When she's high she can fly  
No matter what she was trying

She'll be the perfect woman  
Then she'll change suddenly  
You wanna cry from the feelin'  
She's got a heart of gold but  
Every now and again  
She'll turn to grey  
And you know she gives me

An olive then an arrow in the back  
She leaves me breathless  
Then she kicks me while I'm down  
She leaves me hoping that my love won't show  
'Cause I know she'll give me  
An olive and an arrow

She doesn't like to worry  
But she's afraid of  
Everything that's going on around her

I'm just another photo  
That made its way on her page  
Somehow I stayed but it won't be long

An olive and an arrow in the back  
She leaves me breathless  
Then she'll kick me when I'm down  
She leaves me hoping that my love won't show  
'Cause I know she'll give me  
An olive and an arrow

You leave me hoping that my love won't show  
'Cause I know you'll give me  
An Olive and an arrow
