We've never been into honesty
But promise me you'll let me know
When you're lying
She wants to be an eagle
When she's high she can fly
No matter what she was trying

She'll be the perfect woman
Then she'll change suddenly
You wanna cry from feeling
She's got a heart of gold but
Every now and again, she'll turn to grey
And you know she gives me

An olive than an arrow in the back
She leaves me breathless
The she kicks me while I'm down
She leaves me hoping
That my love won't show
'Cause I know she'll give me

An olive and an arrow

She doesn't like to worry
But she's afraid of everything
That's going on around her
I'm just another photo
That made its way on her Page
Somehow I stayed but it won't be long

An olive than na arrow in the back
She leaves me breathless
The she kicks me while I'm down
She leaves me hoping
That my love won't show
'Cause I know she'll give me
An olive and an arrow
