All of you
Shaped me into what I am
Carried out the bitter man
Do you have a master plan?

Oh no

Somewhere I've
Let all my defenses down
Never thought to turn around
And you do not make a sound

See it turning grey
Like a bullet through the chest
Lay me down to rest
It's a lovers final breath

And I found out
Nothing comes without a cost
And life was just a game we lost

Do you have a better thought?

Oh

Now you're gone
And nothing's ever felt so wrong
A moment seems to last so long
Do you have a fear so strong?

See it turning grey
Like a bullet through the chest
Lay me down to rest
It's a lovers final breath

Now I die
And kiss your tender lips goodbye
Pray to God who hears my cry
