Uhhohhh yeah
Where are you know
When I need you the most
Why don't you take my hand,
I wanna be close
Take my hand and walk with me, yeah

Where are you now?
When nothing's going right
Where are you now
I can't see the light
So take my hand and walk with me

Show me what to be ya
I need you to set me free
Yeah, yeah
Where are you now
Now that I'm half grown
Why are we far apart
I feel all alone

Where are you now
When nothing's going right
Where are you now
I can't see the light
