Can't be more obvious
She's in pain
Won't even let me in
From the rain

All the windows are locked again
She's afraid
Of everything that I have to say
To her face.

So try to look in my eyes
And tell me you're not surprised
Cause nothing is changing
Everyone has to lie sometimes
Do you know what its like to make up your mind
Don't be alarmed when sinners sin
While the world is spinning

It couldn't be more obvious
I'm in pain
She won't even let me in
From the rain

And all the pictures in the frames are cracked
Cause she's afraid
Of everything they're gonna say
Behind her back

So try to look in my eyes
And tell me you're not surprised
Cause nothing is changing
Everyone has to lie sometimes
Do you know what its like to make up your mind
Don't be alarmed when sinners sin
While the world is spinning

So try to look in my eyes
And tell me you're not surprised
Cause nothing is changing
Everyone has to lie sometimes
Do you know what it's like to make up your mind

Don't be alarmed when sinners sin
While the world is spinning

So look in my eyes
And tell me you're not surprised
Cause nothing is changing
Everyone has to lie sometimes
Do you know what it's like to make up your mind
Don't be alarmed when sinners sin
Don't be alarmed when winners win
While the world is spinning
