"Wrong Again"

Wrong again,
Father I hate to tell you this
You taught me how to hit the mark
And once again I've missed,
Touch the fire
You always said that I get burned
Why is it so hard, to remember
All the lessons I have learned,

How can you look at me that way
When I have failed so many times
Showing me love you tell the world
This child is mine,
How can you walk that extra mile,
I see forgiveness in your smile
So should you reject me?
Wrong Again

Once again,
Lord I have wandered from your path
Thought I knew a better way
From a shorter word you've asked
Standing here,
I don't deserve a second chance
And I can't conceal the shame I feel
It's more than I can stand,

How can you look at me that way
When I have failed so many times
Showing me love you tell the world
This child is mine,
How can you walk that extra mile,
I see forgiveness in your smile
So you should desert me?
Wrong Again

When I look into your face,
And see the power of your grace
I find it so hard to believe
Forgiveness that your showing me,

I see the answer in your eyes
Love and mercy realized
Finally the truth has set me free,

How can you look at me that way
When I have failed so many times
Showing me love you tell the world
This child is mine,
How can you walk that extra mile
I see forgiveness in your smile
I thought you would scold me
Instead your just hold me,
Thought you would judge me,
Instead you just love me,
So should you reject me,
Wrong Again
