When you're walking in the street  
Spoiling for a fight,  
Hoping for a miracle  
And there's no miracle in sight  
Registerin' zero  
Cos you're bombed out on the blues,  
You feel like some bad story  
In yesterdays news.

It make you wanna make lay face down  
On the grass so brown,  
Where the sun beats down  
On the bakin' ground.  
To find sweet release  
In endless sleep.  
Endless sleep.

When you're hanging by a thread,  
Clutchin' at a straw,  
Ain't got nothing left  
And the world keeps shoutin' more, more.  
You haven't got an earthly  
Cos your heart bust up inside.  
Nobody you can turn to this time  
No place you can hide.

Makes you want to lay face down  
On the grass so brown  
Where the sun beats down  
On the bakin' ground.  
To find sweet release  
In endless sleep.  
Endless sleep.  
Endless sleep.
