I don't know what it is tonight,
Your smile,
Your eyes.
Yeah...

Even in the candle light,
You shine,
So bright.
You are so beautiful,
More beautiful,
Than you've ever been.
I catch my breath,
And fall in love again.

I can't imagine where I'd be
Without you with me.
I need you more everyday,
More than words can say.

I want you in my life,
For all my life.
This night will never end.
You'll take my hand,
And I'll fall in love again.

And nothing short of a miracle
Could have brought you here to me.
When I'm with you,
Heaven's all I see
(All I see)

Caught up in every touch,
I feel the rush,
Of this moment that we're in.
Each time we kiss,
I fall in love again.

I can't resist,
I fall in love again.
