Your pretty face is not enough,
Behind your eyes,
I know your lying.
You think that love is all a bluff,
You flash your smile,
And keep denying me,
I want you to see,
I need something more,
Than you gave me for.

I want you to burn.
I want you to steal.
I want you to bleed,
And see how it feels.

I want you to beg,
I want you to crawl.
Give more than you take,
And smile through it all.
And know that everything you do,
I do it for you.
.....I do it for you.

I see your heart is broken,
And your tears are real.
No word unspoken,
Say what you feel.
The way you keep pretending,
Its such a crime.

You gotta give me whats mine.

I want you to burn.
I want you to steal.
I want you to bleed,
And see how it feels.

I want you to beg,
I want you to crawl.
Give more than you take,
And smile through it all.
And know that everything you do,

I do it for you.

Your pretty face is not enough,
Behind your eyes,
I know your lying.

I want you to burn.
I want you to steal.
I want you to bleed,
And see how it feels.

I want you to beg,
I want you to crawl.
Give more than you take,
And smile through it all.
And know that everything you do,
I do it for you.
