Just have a little patience  
im still hurting from a love i lost  
im feeling your frustration  
any minute all the pain will stop  
just hold me close, inside, your arms, tonight  
dont be too hard on my emotions

cause I need time  
my heart is numb has no feeling  
so what im still healing  
just have a little patience  
i really want to start over again  
i kno u want to be my salvation  
the one i can always depend  
i try to be strong  
believe me  
im trying  
to move on  
its complicated  
but understand me  
cause i need time  
my heart is numb has no feeling

so what im still healing  
just have  
have a little patience yea  
have a little patience yea  
cause these scars  
run so deep  
its beed hard  
but i have to believe in me  
have a little... patience  
have a little patience...  
cause i just need time  
my heart has no feeling  
so why im still healing  
just have a little patience  
have a little patience yea  
my heart is numb has no feeling  
so why im still healing  
just try and have a little patience
