the room is dark as midnight
as it all begins to play
is it to late?
i wish that i could rewrite
all the things i didn't say
is this our fate?
the colors are fading
but don't tell me

that this is how were gonna end the story
this is how were gonna leave the glory
baby.
this is how their gonna find me
with nothing but the picture to remind me
baby
again and again and again
is the end.

its nothing made of fiction
this is our reality
its killing me
i trust in loves cruel vision
i never though that we would bleed
i cant believe

that this is how were gonna end the story
this is how were gonna leave the glory
baby.
this is how their gonna find me

with nothing but the picture to remind me
baby
again and again and again
is the end.

lets rewind the commotions
see our life in slow motion
why cant we try on last time?

don't tell me
that this is how were gonna end the story

this isn't a fiction
we trust in loves cruel vision
we cant take the heart break

but don't tell me
this is how were gonna end the story
this is how were gonna leave the glory
baby.
this is how their gonna find me
with nothing but the picture to remind me
baby
again and again and again
is the end.
