[An understanding of the one universal truth is all that's needed to know the] [godhead. Easier said than done]

Generations A nuclear family Centres of small worlds which itch for attraction In stillness of spin Energy Potential for creation

Interactions Merry go round hierarchy Forces of nature in motion for aeons Invalid or potent Potency Empowered and charged

We savour the flavours of Strangeness, beauty, and charm And we're sensing the truth But our questions stay unanswered And the thought of god still elude us Thoughts of god. Gods thoughts
