Dreams in the night...
At strange land
Walking alone...
On white sand
I see your light...
Feel the magic
In the air tonight...

Dancing alone
I see you...
I see your eyes
So deep blue...
I touch your hands
And we're going
To dance a night away...

Step by step...
You are a stranger
Step by step...
Love is a danger
Step by step...
Baby, don't let me fall

Baby, baby blue
Baby I love you...
Baby, baby blue
Be my lover
Like no other...

Baby, baby blue
Baby I love you...
Baby, baby blue
Be my lover
Like no other...

Morning has come...
The sky is blue
The rising sun...
Shines on you
I touch your face...
And your smiling
Breaks the night away...

Step by step...
You are a stranger
Step by step...
Love is a danger
Step by step...
Baby, don't let me fall

Baby, baby blue
Baby I love you...
Baby, baby blue
Be my lover
Like no other...

Baby, baby blue
Baby I love you...
Baby, baby blue
Be my lover
Like no other...
