I try  
God knows I try  
It seems very clear to me, that I try  
But it's not clear to you, that I do  
You don't know what I mean, do ya?  
You don't know what I mean  
I mean  
I mean I try  
God knows that I mean to try  
I mean it seems so very clear to me, that I'm trying  
But it's not clear to you, what I'm trying to do  
You don't know what I mean, do ya?  
You don't know what I mean  
You're not trying  
God knows you probably mean to try  
I mean sometimes it even seems clear to me  
I mean sometimes it even seems clear to me that  
you're trying to try  
Is that clear? Do you know what I mean, what I'm trying  
to say  
You don't know what I mean, do ya?  
You don't know what I mean  
God knows I try
