Here's another song about a place near Hong Kong  
They got lots of opium and Lapsang Souchong  
Siam, Siam  
All the fancy pussycats come from this area  
Also got a lot of animals that scare ya  
Siam, Siam  
Python legs are poached in slimy tosaliva  
After eating that I'm lucky I'm alive  
I am, yes I am  
Ask the king if you can stay to sample cuisine  
Maybe he will even let you dine with the queen  
Siam, Siam  
Nicest little place I live in since Budapest  
If you think that I'm in love you're right, I confess  
I am, I am, yes I am, with Siam  
I am
