I dedicate my song to you, my love
The words, the tune belong to you, my love
So when you hear this melody begin
You'll know what's in my heart

I dedicate my prayers to you, my love
The vows a lover swears to you, my love
And just as long as time itself endures
What's mine is yours, sweetheart

I'll wait from now until forever
To hold you close, to make you mine
But please don't make me wait forever
Forever's such a long, long time

So take my song and take the prayers I give
My hand, my heart, the very life I live
And let the flame of love come burning through
From me to you, my love

I'll wait from now until forever
To hold you close, to make you mine
But please don't make me wait forever
Forever's such a long, long time

So take my song and take the prayers I give
My hand, my heart, the very life I live
And let the flame of love come burning through
From me to you, my love (to you, my love)
