It took me quite some time  
It had to be just right  
When it came I knew  
I'd found the perfect gift  
For you

A thousand nights like this  
A stale cigartetts kiss  
A drink you can't resist  
And in your head a voice  
You'll always miss  
A thousand nights like this

Over the years I'd splurge  
To indulge your every urge  
This is something new  
My latest offering  
To you

A thousand empty beds  
And sheets as cold as lead  
A book you've already read  
And when you wake  
You'll wish that you were  
Dead with me (ahh ha ah)  
Dead with me (ahh ah ah)

Please you must except  
Don't make me upset  
I've had mine for a year or two  
It's the gift that keep on giving  
And it's for you

A thousand nights like this  
A stale cigarettes kiss  
A drink you can't resist  
And in your head a voice  
You'll always miss  
A thousand nights like this  
You'll always miss  
You'll always miss  
You'll always miss
