Never gone..  
We look back on where we were friends  
Don't go..  
Promises torn to the end

She was a teacher  
She taught me tenth grade  
Words of our classroom  
It was my mistake

Never know..  
Disappeared on an April day  
Students..  
Punished her for things they regret

Down by the water  
Across the tracks  
That's where they found her  
Flat on her back

She was a teacher  
She taught me tenth grade  
Words of our classroom  
Whoa.. it was my mistake

Never know..  
We look on where we were friends  
Don't go..  
Promises torn to the end  
Send her  
Disappeared on an April day  
Students..  
Punished her for things they regret

She was a teacher  
She taught me tenth grade  
Words of our classroom  
Whoa.. it was my mistake
