Well it's midnight, damn right, we're wound up too tight  
I've got a fist full of whiskey, the bottle just bit me  
Oh

That shit makes me bat shit crazy  
We've got no fear, no doubt, all in balls out

We're going off tonight  
To kick out every light  
Take anything we want  
Drink everything in sight  
We're going till the world stops turning  
While we burn it to the ground tonight  
Oh

We're screaming like demons, swinging from the  
ceiling  
I got a fist full of fifties, tequila just hit me  
Oh  
We got no class, no taste, no shirt, and shit faced  
We got it lined up, shot down, firing back straight  
crown

We're going off tonight  
To kick out every light  
Take anything we want  
Drink everything in sight  
We're going till the world stops turning  
While we burn it to the ground tonight  
Oh

Ticking like a time bomb, drinking till the nights gone  
Well get you hands off of this glass, last call my ass  
Well no chain, no lock, and this train won't stop  
We got no fear, no doubt, all in balls out

We're going off tonight  
To kick out every light  
Take anything we want  
Drink everything in sight  
We're going till the world stops turning  
While we burn it to the ground tonight

Oh  
We're going off tonight  
To kick out every light  
Take anything we want  
Drink everything in sight  
We're going till the world stops turning  
While we burn it to the ground tonight
