Left on an eastbound train  
Gone first thing this morning  
Why is what's best for you  
Always the worst thing for me  
When am I gonna learn  
Why cuz I'm tired of hating  
When will it be your turn  
Why cuz I'm tired of waiting

No, I don't, I don't, no I don't  
No I don't find faith in your false feelings  
Not through my own misleading  
Who'll buy this lie you're selling  
Tired of this lie you're telling  
I don't, I won't  
No I won't do this anymore (2x)

Says I'm only tellin half of it  
That's probably cause,  
There's only half worth tellin  
Every time I try to laugh it off  
That's when we turn around  
And wind up yellin  
When am I gonna learn  
Why cuz I'm tired of hating  
When will it be your turn  
Why cuz I'm tired of waiting

No, I don't, I don't, no I don't  
No I don't find faith in your false feelings  
Not through my own misleading  
Who'll buy this lie you're selling  
Tired of this lie you're telling  
I don't, I won't  
No I won't do this anymore (2x)

There's only half worth tellin  
Every time I try to laugh it off
