Visit "[Favorite Damn Disease](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I like your pants around your feet  
I like the dirt that's on your knees  
And I like the way you still say please while your lookin'  
up at me  
your like my favorite damn disease  
And I love the places that we go  
And I love the people that you know  
And I love the way you can't say no to many long lines  
in a row  
I love the powder on your nose

[CHORUS]

Ohh I know who you are  
It wasn't that hard  
Just to figure you out  
(Now and then, you wonder why)  
And now I know who you are  
It wasn't that hard  
just to figure you out  
(Now and then, you wonder why)

I like the freckles on your chest  
And I like the way you like me best  
And I like the way your not impressed while you put em  
to the test  
I like the white stains on your dress

And I love the way you pass the check  
And I love the good times that you wreck  
(the good times that you wreck)  
I love your lack of self-respect  
While your passed out on the deck  
I love my hands around your neck

[CHORUS]

I like your pants around your feet  
And I like the dirt that's on your knees  
And I like the way you still say please  
While your looking up at me  
your like my favorite damn disease  
And I hate the places that we go

And I hate the people that you know  
And I hate the way you can' say no to many long lines in  
a row  
I hate the powder on your nose

[CHORUS]
