I like your pants around your feet
And I like the dirt that's on your knees
And I like the way you still say please
While you're looking up at me
You're like my favorite damn disease

And I love the places that we go
And I love the people that you know
And I love the way you can't say no
Too many long lines in a row
I love the powder on your nose

And now I know who you are
It wasn't that hard, just to figure you out
(Now I did, you wonder why)
And now I know who you are
It wasn't that hard, just to figure you out
(Now I did, you wonder why)

I like the freckles on your chest
And I like the way you like me best
And I like the way you're not impressed
While you put me to the test
I like the white stains on your dress

And I love the way you pass the check
And I love the good times that you wreck
(Good times that you wreck)
And I love your lack of self-respect
While you're passed out on the deck

I love my hands around your neck

And now I know who you are
It wasn't that hard, just to figure you out
(Now I did, you wonder why)
And now I know who you are
It wasn't that hard, just to figure you out
(Now I did, you wonder why)
(Why not before, you never tried)
(Gone for good, and this is it)

I like your pants around your feet
And I like the dirt that's on your knees
And I like the way you still say please
While you're looking up at me
You're like my favorite damn disease

And I hate the places that we go
And I hate the people that you know
(People that you know)
And I hate the way you can't say no
Too many long lines in a row
I hate the powder on your nose

And now I know who you are
It wasn't that hard, just to figure you out
(Now I did, you wonder why)
And now I know who you are
It wasn't that hard, just to figure you out
(Now I did, you wonder why)
(Why not before, you never tried)
(Gone for good, and this is it)
