This time  
I wonder what it feels like  
To find the one in this life  
The one we all dream of  
But dreams just aren't enough

So I'll be waiting for the real thing  
I'll know it by the feeling  
The moment when we're meeting  
Will play out like a scene straight off the silver screen

So I'll be holdin' my breath  
Right up 'til the end  
Until that moment when  
I find the one that I'll spend forever with!

'Cause nobody wants to be the last one there  
'Cause everyone wants to feel like someone cares  
Someone to love with my life in their hands  
There's gotta be somebody for me like that

'Cause nobody wants to go it on their own  
And everyone wants to know they're not alone  
There's somebody else that feels the same somewhere  
There's gotta be somebody for me out there

Tonight  
Out on the street, out in the moonlight  
And, this feels too right  
It's just like dÃfÂ©jÃfÂ vu  
Me standin' here with you

So I'll be holdin' my breath  
Could this be the end?  
Is it that moment when  
I find the one that I'll spend forever with?

'Cause nobody wants to be the last one there  
'Cause everyone wants to feel like someone cares  
Someone to love with my life in their hands  
There's gotta be somebody for me like that

'Cause nobody wants to go it on their own  
And everyone wants to know they're not alone  
There's somebody else that feels the same somewhere  
There's gotta be somebody for me out there

Ooh! You can't give up  
When you're lookin' for a diamond in the rough  
Because you'll never know when it shows up  
Make sure you're holdin' on  
'Cause it could be the one, the one you're waiting on

'Cause nobody wants to be the last one there  
And everyone wants to feel like someone cares  
Someone to love with my life in their hands  
There's gotta be somebody for me, oh!

Nobody wants to go it on their own  
And everyone wants to know they're not alone  
There's somebody else that feels the same somewhere  
There's gotta be somebody for me out there

Nobody wants to be the last one there  
'Cause everyone wants to feel like someone cares  
There's somebody else that feels the same somewhere  
There's gotta be somebody for me out there
