My hopes just fell And I can't see
The reason why Why there is
Blood on my sleeve And all this time
I thought it mine But it's not
It's yours and
It's not worth it for me
Gets harder everytime
Call you
This life you lead
Like swimming
In a shiny ballroom
Next time you bleed
Right about
This time tomorrow
Next time you steal
Better ask
Before you borrow

And I don't see too well
Don't sing too well
And I settle to scream
Just grab your shit
And leave with it
They won't make
No statues of you

It's not worth it for me
Gets harder everytime
Call you
This life you lead
Like swimming
In a shiny ballroom
Next time you bleed

Right about this time tomorrow
Next time you steal Better ask
Before you borrow This label thief
Find a better title Suited for you
This tidal wave Is coming down
Upon you

This time I've forgotten

I swear this shit was rotten
This time I believe it
'Cause I've seen the shit you're needin'

It's not worth it for me
Gets harder everytime
Call you
This life you lead Like swimming
In a shiny ballroom
Next time you bleed
Right about
This time tomorrow
Next time you steal
Better ask before you borrow
This label thief find a better title
Suited for you this tidal wave
Is coming down upon you
