i am so high i can hear heaven

i am so high i can hear heaven

oh but heaven,no heaven don't hear me Chorus

And they say that a hero can save us

i'm not gonna stand hear and wait

i'll hold on to the wings of the eagles

and watch as we all fly away

someone told me that love would all save us

but how can that be when look what love gave us

a world full of killing and blood spilling

and that world never came

Chorus

and now that the world isn't ending

it's love that im sending to you

it's in the love of a hero

and that's why i fear it won't do

Chorus

and they're watching us ,they're watching us

as we all fly away yeah

and they're watching us , they're watching us

as we all fly away yeah

they're watching us, watching us, they're watching us

as we all fly away yeah yeah oh oh
